

There are many things I am thankful for this year,
So let's give them a big loud cheer!

I appreciate Tyler and Brandon my brothers',
But there are also many others.

Like Mom and Dad and Mrs. Chans and Miss Walker,
Who gives the time for homework club and me to say my rhythm.

I love my family like Uncle Bill , Aunt Sherry ,
Savanna , and Terry.

Uncle Mark , Mimi and Papa.
Oma and Pa are all my great pride.

I appreciate many things,
And some of them are great kings.

I appreciate that the tsunami in Japan,
Did not make it a bad land.

And that my Oma travels safely,
So I don't have to worry briefly.

I'm thankful for food on my plate,
But I don't eat any steak.

Also a roof over my head,
So I can go to sleep late, late at night.
