

THE MEANING OF THANKFUL

There are many things I am thankful for. I am thankful for my friends and family. I am thankful for plants and animals. Someone else I am thankful for is Abraham Lincoln because he stopped slavery. I am most thankful for the senator who is reading this passage. There are many things I am thankful for this year. My sister is someone I appreciate because she speaks jiberish but she is very cute and understands you and is one year old. Something else I am thankful for is food and water because it helps keep me alive. I am thankful for Jesus Christ. There is so much more to be thankful for!
