

I am thankful for my family

My family is nature

My Dad is the Tree standing proud and tall

My Mom is the Rain that feeds the plants

My Step-Mom is the Flowers that make it pleasant

My Step-Dad is the Lion that rules the land

My Brother Ben is the Monkey swinging playfully in the trees

My Brother Jake is the Bird that wakes us up every morning

My sister is like the sun that shines bright

As for Me I am the Earth that keeps us together

I am thankful for my family because we are nature
