

*My Family Is Like a Circus*

*I am thankful for my family because we are like a circus.*

*My mom is like the ringleader, always in charge and keeping things in order.*

*My dad is like the clown, always smiling and cracking jokes.*

*Muffin is like the lion, thinking she's in charge and trying to eat everything is sight.*

*As for me, I am like the lion tamer, controlling the lion and making sure nobody gets hurt.*

*I am thankful for my family because we are like a circus.*
