

I am Thankful For . . .

By Pamela Pillco

I am thankful for this year .
I am thankful for this year because
I have food to eat everyday. For
Spending time with my family and because
I have a family to be with all the time.

I am thankful for this year
because I have a house to live in and
for food to eat. For example, ^{I have} a bed to
sleep in at the night when I'm
tired. ^{I'm full} Thank for good for to eat at
morning, lunch time, and dinner time.

I am thankful for this year
because I get to spend time
with my family all the time.
For example we watch movies
together, eat together, and be together
all the time.

Most of all I am thankful for this
year because I have a family to be
with. For example when I'm sad my
sister is there for me. when I'm
sick my mom and Dad help me
get better. my Dad buys me what I
need to get better.
