Creative Writing

This year I am thankful for having a home, eating three meals a day, and playing with toys. I am also thankful for the opportunity to go to Lincoln School. What an opportunity it is to be in the school band here at Lincoln School!

I have read that some children can't go to school at all in other countries. That makes me feel even more fortunate that I'm able to get a good education. I am also very lucky that I have a big family that supports me and a lot of love that surrounds me everyday.
