

I Am Thankful For this year.....

1 I am Thankful for this year. I am Thankful for this years because I have a beautiful sister that helps me every day to clean the house. She does the beds for me, she cleans all around the house with me until my mom gets home, and she checks the house. I am really thankful for my sister.

2 I am Thankful For this year. I am Thankful this year because I got to have beautiful friends that love me like a Best Friend. They help me in everything in school, I am thankful for my friends.

3 I am Thankful this years because I have everthing I want and I love. I am Thankful for the love and things that I like.
