I Am Thankful For...

This month is November and I am thankful for the house I have because it gives me shelter in the harsh weather. I am grateful for the food I have because I would not survive long without food. I am appreciative for water because I would die of thirst without water. I am thankful for oxygen because if the oxygen level went down I could not breathe. I am grateful for my parents because they try to cheer me up when I am sad. I am thankful for my sister because when I am bored, she plays with me. I am appreciative for the soldiers who protect my country. Those are seven things I am thankful for.
