I Am Thankful For...

I have many reasons why I am thankful. I am thankful for my family because they are always there for me by coming to my games and supporting me. I am grateful because my family has food and drinks to survive. My home is my shelter. It keeps me safe from the weather and because I have my own room. My coaches because they give me support and make me better at sports. Also my money so I can buy what I need. I am thankful for my health. My friends because we all play together and play sports and hang out. Also my pets because they play with me and keep me company. Last I am thankful for my clothes, so I can be warm during the cold weather. I am thankful for all these things.
