I am Thankful for

I realize I am thankful for many things. My dog, Honey, when I'm bored she always wants to play with me. She always keeps me company when dad's sleeping. I am thankful for my parents because they care for me when I'm sick and they love me. My grandma is who I am grateful for because she buys me good books and she will watch me. I am thankful for my Aunt Linda because she loves me and buys me movies and toys. My Uncle Matt because he is fun and knows what to say in a funny voice. My nana because whenever she is here everyday is fun. My Popop because he is the funniest person ever and he gives me toys.
