

Thanksgiving is a time for thanks,

A time for joy and togetherness,

Some say Christmas is better,

But Thanksgiving is great because you're together,

It's a time to thank your family,

For all the things they do for you,

You should even thank your community too,

Thanks

Having off from school on Thanksgiving is the best,

Especially because there aren't any tests,

Everyone loves a Thanksgiving feast,

There are a hundred different foods at least,

Thanksgiving is a time for cheer,

Too bad it only comes once a year,

I am thankful for family and friends,

But I'm sad Thanksgiving has to end,

I'm also thankful for all the great food,

Thanksgiving always puts me in such a great mood!
