

## The Grateful holiday

It's not all about what you wear and what you look like. There are people out there who don't even have warm enough clothes for winter. Thanksgiving is a day to be thankful. It's not just about who has the drumstick from the turkey or who has the prettiest outfit on Thanksgiving Day. Thanksgiving is about being thankful. For example I am thankful for my family, friends, and my nice warm house. But some people don't have a house or even a family. Some families have a family member that is in the army or who has died while fighting for our country. So, thanksgiving is not all about the turkey and all of the other foods. Thanksgiving is about being thankful for everything you have! Not many kids think about what the real meaning of thanksgiving is about. Kids should be grateful for what they have not mad that they didn't get what they want. So, at Thanksgiving you should sit down, say grace, and tell everyone what you are thankful for. Appreciate what you have!
