

This Thanksgiving

I am thankful to my parents...for helping me with homework, for giving me a happy life, and for supporting me in my baseball and basketball games.

I'm also thankful to my sister, Ali, who helps me with homework that I don't understand, who plays games with me on weekends, and who shares her gifts from parties with me.

Thanks to my friends, Antony, Noah, and Nick who are nice to me, who play with me and who share their snacks. 😊

Thank you Mr. Stillman for helping me out and for teaching me Math, Writing, Reading, Social Studies, and Science.

Lastly, Coach Chris and Coach Tony, my baseball and basketball coaches, thanks for helping me improve my game. Go Bulldogs!!!

Sincerely,

Louis Pilao
