

This is my Thankful for essay submission. My name is Kayla King and I go to Gardiners Avenue School. I am in 5<sup>th</sup> grade and my teachers name is Ms. Fermature.

What am I thankful for? Thanks for asking! I am thankful for many things, but I am only going to tell you two of them. I am going to tell you one worldly and one personal thing I am thankful for.

Now, this is my personal thing that I am thankful for. What I am thankful for is having a great family. They are always there for me. If I am ever upset, they will cheer me up. Also, I love it when my sister bakes with me. Sometimes we fight, but we still love each other. Without my family, I don't know what I would do with myself and always remember, there is nothing like family.

I am thankful that the world didn't give my sister, Nicole anything worse. She already has Crones Disease. My whole family is kind of used to it, but if she had something worse we would never get used to it. It's horrible that the world gave her this, but horrifying if anything worse.

These are the things that I am most thankful for.

Thanks for reading!
