

This is my Thankful for essay submission. My name is Nicholas Aprea and I go to Gardiners Avenue School. I am in 5th grade and my teacher's name is Ms. Fermature.

I am thankful for a lot of things. But here is two. I am thankful for Christopher Columbus because he helped us become into what our country is today. We wouldn't be here if it weren't for him. We wouldn't be here right now we would Europe right now.

Another thing I am thankful for is my parents. They are always there for me. They buy my food. They help me with homework problems. Also because they help me with everything. These are things I am thankful for. Thanks for reading this.
