These are all the things I'm thankful for

1. I'm thankful for my family because if I didn't have a family I wouldn't be alive.
2. Without any friends I would be bored.
3. If I didn't have a life I wouldn't be alive.
4. I'm thankful for my pets because they keep me company.
5. If I didn't have any food or water I wouldn't be alive.
6. If I didn't have a home I would suffer from coldness.
7. I'm thankful for sports because of the competition.
8. I'm thankful for my teachers because I like to learn.
