What am I  
Thankful for

There are a lot of things to be thankful for. In my scenario I am thankful for being alive. Without life I would not be here. I am thankful for ~~god~~ god granting my #1 wish which is to be alive.

I am thankful for being able to have food, water, & a place to call home. Also for not being in a homeless shelter. From my research I found out that approximately 5 million people live in a ~~shelter~~ shelter in our country. I thank god I am not one of them. I am thankful that my parents could satisfy my needs.

Now I am thankful for not being rushed to the hospital & every 5,000 people are found dead. I thank god I am not one of them. Also for having great health. I am happy I am alive and well.

I am very thankful for not being an orphan. To grow up with my biological family is important to me. Actually with both my parents are alive.

And Well is the best gift  
ever. I wish 3 big brothers I  
am very happy  
Lastly I am very thankful  
for waking up every morning.  
With 2 healthy parents, 3  
healthy brothers and a  
healthy you what else can you  
want. Every day people  
Don't get out of their bed.  
Thank God it hits not me.  
I am very thankful for  
my parents

Sincerely  
Victoria  
Aghwana.
