

## WHAT I'M THANKFUL FOR

11/22/11

I'm thankful for my family. I'm thankful for my family because they are nice to me. My mom and dad show me the great times of my life. They feed me and buy me clothes. I love my parents.

I am also thankful for my friends. They cheer me up when I'm sad. They keep me company. They make me laugh.

I'm thankful for the house I live in, it keeps me safe and comforts me. I'm grateful for my relatives too. They come to my house and have dinner with us and keep company with us. They buy me gifts for my birthday and Christmas.

Finally, I'm grateful for my games. They are fun and entertaining. I always play them when I'm bored. These are the things I am grateful for.
