What I am thank full for

spelling

I am writing to you about what I am thankful for this year.

I am thankful for my family. I am thankful for my family because they are always there for me no matter what problem I have. I am also thankful for friends. They will cheer you up if you are sad or lonely or hurt. Another thing I am thankful for is good food. Some people are not so lucky and do not have nice food. I am also thankful for hospitals. If I am injured they can help me get better. Another thing I am thankful for is good schools and teachers. If I did not have a good school and a teacher I would not have an education. One more thing I am thankful for is a nice home. I would be very cold and wet if I did not have a nice house. Also another thing I am thankful for is electronics. They are fun, cool, and they entertain me when I am bored. Also another thing I am thankful for is good health. I hate it when I am sick it makes me feel horrible. Another thing I am thankful for is fun activities. I love to go to Sea Breeze it is so much fun. There is one more thing I am thankful for my parents jobs. If my parents did not have a job I could not have fun toys or go to fun places.

These are all the things are what I am thankful for this year.
