

What I'm Thankful For

I am thankful for many things. The first thing I'm thankful for is my wonderful life. My family: my mom, dad, brother and sister. Also my friends: Austin, Frankie, Justin, Alex, and many more. I have the food and shelter. I need to be safe and survive.

Another thing I am thankful for is my little pets, Teddy and Snickers. Teddy is a toy Poodle and Snickers is a Yorkie. The reason I am thankful for my pets is they are cute, funny and they play at the playground with me. I like playing with them when I'm bored.

My last thing I'm thankful for is the Holidays. They are so fun and you get to be with your family. They are all on special days. That is all the things I am thankful for.
