

I'm thankful that I can see, hear, smell, and all my body parts work so I can play and do other fun stuff. I'm thankful for sports so I can have fun and get exercise. I'm thankful for clothes and shoes so I'm not cold during the day and night. I'm thankful to have a house so I have somewhere to sleep. I'm thankful to have a roof on my house so when it's raining I don't get wet. I'm also thankful that we have recycling so we don't have to throw everything away. I'm thankful that most people try not to litter. I'm thankful for my dog because she keeps me company at night when she sleeps in my room and she keeps me company during the day. I'm thankful that we have a wonderful outside world. I love to play games outside and even just breathe fresh air. I'm thankful that most people don't bully so the world is more peaceful. I'm thankful that me, my brother, my mom, and my dad have money so we can buy food, houses, books, paper and pencils, my school and some stuff that my me and my brother want. I'm thankful that I have a lot of food so that I'm not hungry. I'm thankful for my friends because they keep me company and they play games with me. I'm thankful for school and my lovely teacher so I can be taught things. I'm thankful for books because they take me on so many adventures and they teach me things. I'm thankful for papers and pencils so I can do what I'm doing now. Writing! I love math and I'm so thankful for it. It helps me in a lot of ways. I'm thankful for my family. I'm glad I have very nice parents that take me cool places. I'm thankful that I have a very nice brother to play games and have fun with me.
