I am thankful for a lot of things that God gave me but most of all my family.

My Dad, he shared his video games with me and helps with my homework every day. He takes me to the movies and baseball games. My dad sometimes takes me outside to ride my bike in the summer. He hugs and kisses me every day and that is why I love him.

My Mom, she is beautiful and caring. She makes me lunch every day to go to school. She is very smart. She helps me with my projects and my writings. My mommy takes me to the market to get my favorite food. She helps me relax when I am mad, she hugs and kisses me when I am sad and scared. She is a great mom, she helps me with my prayers when I go to sleep at night and I love her.

I am thankful for my cousin Ceecee, she is six months old. I could carry her and I can help watch her when my grandma is in the kitchen. I am also thankful for my teachers who helped me with my readings and my math skills. And my friends for never letting me be sad.

In conclusion, I am thankful that God gave me a mommy and daddy who takes care and loves me every day.
