I am thankful for...

I'm thankful for all of my teachers, they have let me have wonderful years. Mrs. Cossette was my first teacher in Brookfield, Mrs. Green was my first grade teacher, I had a lot of fun in first grade. Mrs. Denton was second grade and that was one of my favorite years. Mr. Pavlus, my 3rd grade teacher, was an amazing teacher. I was not very happy for moving up day, because I wanted to stay with him. Mrs. Rutherford, which is my teacher now. Is also amazing, I had a lot of fun and the year isn't even half over! My school is the best.

I am also thankful for my friends, they are always there to help me. And I will return the favor. Even though we had rough times, I will always be there for them, and I hope they will do the same for me. My friends are always watching over me, and I respect that.

Last of all, I am thankful for my family. I love my brother even though he gives me a hard time once in a while. My parents love me and I love them, I already have a lot and they keep giving me more. I am thankful for my cousins, even the ones I haven't met yet. The ones that are here, always look over me, and I am happy to be here. My grandparents love me and I love them to. I am thankful for everything that I have, even if I didn't want it. But still, thank you everyone who was there for me, who inspired me to do better. I love what you have done for me.
