### I am Thankful for Gym

Sometimes people get into trouble so they can't play. Gym is my favorite thing to do.  
My classmates and I love gym. I love gym because I can play a game, and it is fun.

I like gym because it gives me energy.  
Gym is special to me. I like my gym teacher.  
My gym teacher always lets me play because I am always good. If you are good you get a prize. I love gym.
