Thankful

i am thankful for my house and my family. I am thankful for my house because there is room for everybody and a big yard and pool. In the winter, spring, and fall my whole family can play outside. In the summer, we can play and swim in the pool, and sometimes we play water football too! I am thankful for my family because they are nice they keep me safe. They share with me and without them I wouldn't have anyone to play with and no one to keep me safe.

I also have one more thing I am thankful for and that is the people who keep our country safe. I am thankful for the people that keep our country safe because our country wouldn't be how it is now without them. They risk their lives just because they want our country to stay just the way it is right now.

That's all the things I am thankful for!
