

I am thankful for my family. My family keeps me safe. I trust my family no matter what. They will feed me, help me, and love me. If I didn't have a family I don't know what I do. I would be all alone. I just love my family!

I am thankful for my teacher, Mrs. Valesky . She is really nice and helpful. She helps me learn. She is the one who made me smart. If I didn't have a teacher I wouldn't be smart or be able to learn more. I just love my teacher! Also I am thankful for all the teachers!
