My family is the best because they give me love. They also give me shelter and food. They give me a bed to sleep in. Also, they buy me toys. I love my family. I love my life because I can experience new things. I can also try new foods and go on adventures. I also love my life because I can be an artist. I love to draw, paint, and Create. I love my life. I love my teacher Mrs. Valesky because she lets us play spelling sparkle. Also she taught us a fun game called sum dog. Mrs. Valesky tries to get us out for free time every Friday. Mrs. Valesky is a fun teacher. She is the best. I am also thankful for my dog. Even though she bites and scratches I still love her. I especially like her when she is asleep. She is so cute and calm. My dogs name is Baylee. I love my dog Baylee. I am thankful for my house because it gives me light. It also gives me warmth and cold air too. My house also gives me cable. I love my house. I am thankful for my food because it makes me healthy. Also, it can taste very good. My favorite food is my mom's macaroni and cheese. My mom's macaroni and cheese tastes very good. I love food. I am thankful to have friends because they are always there for me. My friends give me care and support. One of my best friends is Tiffany. Even though she lives in Texas she is there for me most. I love my best friend. I am thankful for my drinks. Drinks give me energy and nutrients. My favorite drink is soda. My dad let me have it when I was 4 years old. I love my drinks.
