

I AM THANKFUL FOR...

I am thankful for my kitten, Teddy. Teddy sleeps on my bed all of the time. When I com in my room, he is asleep on my bed. Teddy is very playful. When I wake up, he starts to bite and scratches my hands. Teddy was saved by my big sister, Abrina. When we got him, he was very sick, but now he is better. I just really love my kitten, Teddy!

I am thankful for my family. My dad is really funny. My mom is the best cooker I've ever seen. My sister, Abrina is very helpful. I'm playful with my sister and brothers. My sister, Victoria is a very nice sister and a nice friend. My brother, Jordan loves me. My brother, Malachi is very funny. My brother, Miles is a darn cute red head. I just love my family!
