

Dear Mr. Valesky,

11/2/11

I am thankful for my family. We have a lot of good times together. My dad chases us around. My mom cooks for us. I play with my sisters. I play tag and hide and go seek with them. My dad also kicks a ball up to the top of the hill in our backyard and we try to catch it. I love my family.

I am also thankful for my home. I have my own room. It has twelve bookshelves and my desk. My bed has a headboard and is very comfy. Every night I read at least two chapters of my book. Then I turn off my light and go to sleep. I am very thankful for my home.

Those are the things that I am thankful for. Bye.
