

My Sianna gatto.

My family is a winner when they eat thanksgiving dinner. I go down stairs and eat some pie first I eat chicken pot pie. After I am done eating my dinner I go outside and play in the dirt and then I eat dessert. I want some more dinner and I think I'm going to be the family winner. I think I'm going to have a great thanksgiving dinner. I love my family. When we eat we thanksgiving dinner.

On Thanksgiving I go to Aunt Mia's house. On the night before Thanksgiving I help my mom prepare the pies for dessert. I go to bed early so I can get up to watch the Macy's Thanksgiving Day Parade. Next, I get dressed so I can go to my Aunt's house. We have a traditional turkey dinner and then we have dessert. I enjoy Thanksgiving.
