

I'm thankful for my family that we are happy and
strong,

I'm thankful for my friends since we always get
along.

I'm thankful for all the smiling faces that I see,
I'm thankful for all the good grades that belong to
me.

I'm thankful for my pets, my shelter, and the things
we drink and eat,

I'm thankful for going to school and learning
everyday in my seat.

It's a great life; it's one of a kind,
And I'm thankful that this life is MINE!
