

# What I am thankful for:

By: Tehila Ostroff

Grade 2

What I'm thankful for  
Is what I know best  
Some kids know more  
But, I know the rest

When I'm thankful  
For all that's mine  
I do feel happy  
All the time

I am thankful for what I know  
I am thankful for my money  
I am thankful for my food  
That is honey.

When I know I'm thankful  
I look up at the sky  
I'm so thankful for  
Me, Myself and I
