What I am Thankful for Essay

I am mostly thankful for my dad. I am thankful for him because I look up to him. Also, he feeds me and gives me protection. I can always count on him for the things I need in life. I look-up to my dad because he is very smart, brave, and kind. I look-up to him every day, he is brave because he walks in the autumn, winter, and any kind of weather.

I hope I will become as brave as him. He probably could become one of the greatest presidents. Just like George Washington. I hope I grow up to be just like my dad. Generous, intelligent, courageous, and loving. He is who I am most thankful for.
