

Antonio Ianniello and Peter Valente

I am thankful for my mother that cooks for me. I am also thankful for my father who gets me whatever I want and drives me there. I am thankful for my family because they give me support when I need it and they help me practice for stuff. I am thankful for the turkey that we have on Thanksgiving. I am thankful for the presents I get on Christmas. I am thankful for sports because I can play sports when I get bored. I am thankful for music because it is very fun to play the cello. I am also thankful for my house because I have a place to sleep and it is warm in my house.
