What I Am Thankful For When I Broke My Nose

One day, I was playing with my friends, sister, and brother. We were playing catch and I was running to get the ball. I tripped and hit my nose on the wall. My nose started bleeding and my sister yelled to my mom who was in the house. My mom ran out of the house to me, took one look at me and decided we needed to go to the hospital. My mom and dad drove me to St. Mary's Hospital in Troy. My parents were very nervous, but they stayed calm. I ended up breaking my nose.

I am thankful for my mom and dad for always caring and loving me. I am thankful for them always bringing me to the doctor when I am sick or hurt. I am thankful for them buying me clothes and games. My mom and dad could be parents of the year.
