

What I'm Thankful for?

I'm thankful for a lot of things, but these are the things I'm very thankful for. First I'm going to tell you why I'm thankful for God. God gives us everything. God gives us everything so we could invent new things god gives us. I'm thankful for the things God gives us. Next I'm going to tell you why I'm thankful for my family. I'm thankful for my family because they give me good presents so I don't feel sad because I can play with the presents they buy me. Another reason I'm

thankful for my family is because I'm glad for them to be my family. Finally I'm going to tell you why I'm thankful for my food. I'm thankful for food because then I can eat. I'm also thankful for my food because some of my food is in my garden and some is from the store. So, that's what I'm very thankful for.
