Thankful Poem
Ms. Kander

People take, take, take
But never give
Not very thankful
I'm thankful for much
My family
My friends
My education
My home
My health
But most don't think about what they have
And become greedy for what they need
But I don't need much to be happy
Just my family,
Friends,
Education,
Health,
And my home
Those five things make me who I am
And I am grateful
For everything
I have
And on Thanksgiving Day
We share our reasons to be thankful
And gracious for
Thanking God for everything we have and not needing more
