This year I am thankful for many things. I am thankful for my family because of the love and support they give me. I'm also thankful for my best friend Lauren. I am lucky to have her because we get along so well.

I am thankful for my family because my mom is always there for me she helps me do my homework and I love my mom a lot. I am also thankful for my cousin she is always there for me when my mom isn't around and that's who I go to talk to. That's why I am thankful for my family.

I am also thankful for my best friend Lauren because she is always there for me no matter what she is like a sister to me. The reason why I am thankful for my best friend is because I have someone to relate to. I am thankful for her because she cares about me a lot.

I learned this year that I am thankful for my family and friends. I am thankful for my friends because they are always there for me like family is always there for you.

And this is what I am thankful for this year.
