

## I AM THANKFUL FOR

Have you ever thought about what you're thankful for this year? I have, I am thankful for my family and my bowling league.

I am thankful for my family. I thankful for my cousins so I can hang out with them. And because we don't get to see each other that much. I am also thankful for my family because my step dad and mom work so hard to put food on the table and to have a roof over my head and also they pay the bills so we have electricity and water. I am also thankful for my bowling league. I am thankful for my bowling league because I can make new friends. I am also thankful for my bowling league because I learn to bowl better. And because I will lose my worrying when my mom or step dad leave. Those two things that I just talked about are the two things that I am thankful for this year.

My family and my bowling league are the top two things I am thankful for this year. I am glad I have a family because if I didn't have a family I might feel sorry for myself. And if I didn't have my bowling league I wouldn't be as healthy as I am right now. So what are you thankful for this year?
