What I'm thankful for.....

I'm thankful for my
family.

They do everything so cheerfully.

They also look out for me.

At the same time

care for me.

Were always filled

with laughter.

It makes time go

faster.

They're also helpful.

That's what makes me more
cheerful.

That's why I'm thankful for my cheerful,
protective, caring, helpful, laughter-filled, loving
family.
