Thankfulness Essay

E.L.A

MS. MILLER

I am thankful for many things here are a few things I'm thankful for.

*These are two people I'm thankful to know.*

Over the last eleven years my mom has been a great parent. Me and my mom love to read. We are reading a book called Vanishing Acts. Me and my mom watch T.V together. Me and my mom watch a lot of movies together. On nights were there's nothing to do we play Just Dance on the wii. My mom thinks it's funny when my dad dances.

Dan Martinez is a good friend I've known him since I was seven. Dan can keep secrets. I can tell him anything. Dan and I have a lot in common. We like the same movies and shows. Dan is always there for me.

Those are two people I'm happy to know. And chances are, you would be happy to know them too.
