

What's the hardest thing that ever happened to you, and were you ever thankful that your friends & family were there? Well, I definitely have.

This past year, my family had very little money, but, my mom always managed to keep food in the house. My mom & my friends have been there for me through this tough time. I'm thankful to have my mom around because she cooks my favorite food.

Also, my mom works SOO hard to keep a roof over both my sisters & my head. My mom is REALLY funny & weird because she dances like she's at a rock 'n roll concert.

I'm also VERY thankful for my best friends. One of my best friends is Jade Remacle-Grimm. I'm very thankful to be her friends because she's very understanding about what I'm going through in school & at home.

Another one of my best friends is Mayah Smith. She's such an amazing friend because she helps me with school work & she gives me amazing advice for school.

And last but NEVER least... my two very best friends are Sandra Lovee & Nini Russ. I'm VERY thankful to know them because they listen & care about me. One day I had a REALLY hard day at school & I talked to them about what happened & they would listen & be very understanding.

I'm VERY blessed to have my mom & my best friends with me this year. They are always & will always be by my side forever. I love them SO much & if anything happened to them... I don't know what I'd do. This year has been the BEST year... so far.
