

Thankful Essay

I am thankful for a lot of people, but this is about the two people that I am most thankful for. I am most thankful for my mom and my dad.

I like to be and do different things with my mom I'm very thankful for her. The 1st reason is she comes to all of my games. Another, reason is she helps me study for tests. We cook together sometimes. She helps me with big and small tests. We cook soup together. We do a lot together. I am very thankful for my mom.

I'm very thankful for my dad. We practice soccer in the summer. He helped me become a better goalie. We sometimes play basketball together. Dad and I play Wii sports. We shout some hoops together. He helps me become a better basketball player. I am very thankful for my dad.

I'm very thankful for my parents. They help me with different things. They are kind and caring. I am today, who I am because of them.
