

## What I am Thankful For

God I am thankful for all you have done,  
May you bless all that is under the sun,  
God I am thankful for my family,  
Oh heavenly Father, I thank thee.  
I am thankful for the food on this blessed day,  
This wonderful feast and the words we pray,  
Thanksgiving is a time of happiness and grace,  
And all the food with a heavenly taste.
