

I'm Thankful

I'm thankful for a lot of things
I'm thankful from food to rings
I'm thankful for the transportation
I'm thankful for my reputation
I'm thankful for my family
I'm thankful that I can see
I'm thankful for a bed to sleep
I'm thankful for the nice warm heat
I'm thankful for so many things that I can't hardly name
But I'm telling you now, none of them are the same!
