

Turkey Dinner

We are having Turkey for dinner,

This dish is a winner

It is a favorite of my brother's

It is a favorite of my mother's

It is also a favorite of me

And a favorite of my daddy.

Thank you for this meal

It is better than a banana peel.

Turkey

Gobble Gobble!

That's the sound a turkey makes!

That's what I do on Thanksgiving Day!

I love turkey gizzards.

Thanksgiving Day

Today is Thanksgiving Day.

I've been waiting since May

We are making lots of food

That will surely taste good!

My mom made a turkey

It will taste better than beef jerky.

She also made mash potatoes and cut up fresh potatoes

My friend got good gravy

A recipe she got from her Uncle Davey.

I hope someone brought something for me,

But not just a little small pea!
