THANKFUL

I am thankful for my family

Who always helps me

I am thankful for my great grandma and great grandpa, who are in a better place

And a sister who says her grace

I am thankful for God letting me live for another day

And a church on the corner to pray

I am thankful for the president who helps all kinds of people no matter who they are,

And I am thankful for my favorite red guitar

Most of all I am thankful for the

WORLD!!!!!!
