

1. Organization: Use strong topic and concluding.
2. Five strong adjectives.
3. Five sensory senses.

This Thanksgiving I am thankful for being together with my family and eating a delicious dinner. We smile when we get together and greet each other with hugs and hellos. Then the adults talk and I play with my cousins. While we are playing I can hear the adults talking and laughing loudly. Even though it can get loud and crowded I am very happy to see my family since I don't get to see my family very often. When we are waiting for the dinner it smells so good I can taste the mashed potatoes, stuffing, cranberry sauce, green beans and the pumpkin pie. Yum! Finally we sit down to dinner. The table is covered with many fall colors of food. Then we pass around the food and eat. While I eat the adults start talking again (adults are crazy when we get together). I talk to my cousins, I have a lot of cousins, and mostly they are girls. After the dinner some of my family starts to leave. We always stay a little longer because we don't want to leave. When we leave I am thankful for being with my family.
