Things I'm Thankful For

I'm thankful for my family and friends. Our family's are always there for you when you need them and don't hate you no matter what you do. Family celebrates things with you and protects you from harm. They help you get ready for life and help pay for college. Your family feeds you and gives you shelter. Family also wants you to thrive. They're always getting you things you want, but don't need.

Also, I'm thankful for my friends. Friends have your back and are there for your sad or happy. You can have a party with friends or have them over and play Wii all night or fish or swim. Friends are nice and kind to you and are fun. They are fun to go to the park with and just have some fun. They are nice to you and don't take advantage of you for anything. So I'm thankful for my friends.
