Thanksgiving is a time to celebrate what we are thankful for. If you look around some people don't have anything, and I have so much, like friends, family, food, shelter. There are many thing I am thankful for, hunting and family Wii are two of them. I really appreciate hunting, because I enjoy shooting the deer and tracking the deer(when I say I I mean . I really appreciate family Wii because normally they don't want to play with me but sometimes they do, but there is a flaw; they only want to play bowling. I always win so it gets boring after a while. But if I don't my sister does. Then we play to see who wins.
